

VIETNAM FORMING TECHNOLOGY.,JSC

VIET FORM TECH

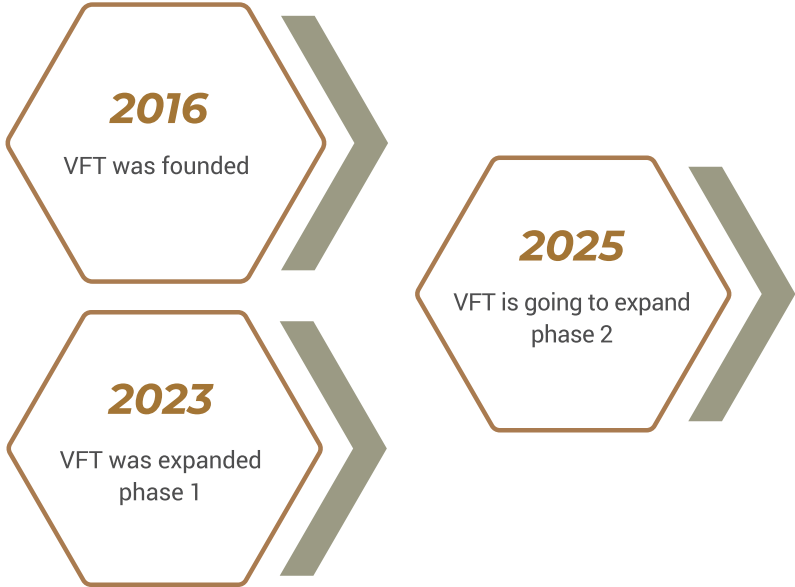

COMPANY PROFILE BROCHURE

Vietnam Forming Technology, JSC (VFT) was established in 2016, started producing the fasteners and special parts.

Since the beginning, VFT priority was to meet customer's requirements relying ensuring prompt delivery and an excellent quality/price ratio.

With a view to the expansion, VFT has over the years expanded its range and in 2023 was increased capacity up to 1800 tons per month. In 2025, we are going to expand capacity up to 2500 tons per month.

VIETFORMTECH

VISION

VFT operates based on dedication and commitment to meeting every customer's requirements globally

MISSION

We continuously strive and aim to become a leading global manufacturer of bolts

CORE VALUE

- Actively
- Efficiency
- Community
- Reputation
- Conscientious
- Intellect

HEX BOLT

HEX SOCKET BOLT

HEX FLANGE BOLT

SPECIAL BOLT

ALL PRODUCTS ARE MANUFACTURED AND INSPECTED DIRECTLY AT THE FACTORY BEFORE BEING EXPORTED

OUR SERVICES & PRODUCTS

OUR FASTENER AND SPECIAL PART ARE ENGAGED IN INDUSTRY

CONSTRUCTION

MECHANICAL

SPECIAL PART

ENERGY

Viet Form Tech is growing with a commitment to quality assurance and customer satisfaction regarding FASTENER and SPECIAL PART

WHY CHOOSE US?

7 YEAR EXPERIENCES
DESIGN - MANUFACTURING
FASTENER AND SPECIAL PART

1800+ TONS/MONTH
FACTORY PERFORMANCE

CUSTOMERS
TRUSTWORTHY CHOICE

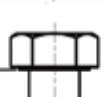

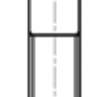

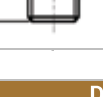

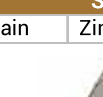

PRODUCTS

CREATING A NEW MECHANICAL INDUSTRIAL FOR VIETNAM

After 7 years of continuous development and improvement, we have been and are affirming our brand with domestic and international partners. Affirming the mission to create the MAKE IN VIETNAM industrial foundation.

Our success is guided by our management philosophy of striving for production efficiency and serving our customers with sincerity and integrity.

To become a leading company in Vietnam and expand globally with a bright future, we will focus all our efforts on improving quality and enhancing competitiveness to meet customer needs.

By pursuing customer satisfaction amidst the changing global trends, we will create a new culture in the field of precision mechanical industry.

We sincerely hope that customers will continue to show interest in us and support us.

We aim to become a company manufacturing screws and mechanical processing products for the global automotive - motorcycle industry.

With a young and dynamic workforce, our company continuously improves production to create a diverse portfolio of products with optimal value to meet customer needs.

With a network of domestic customers and foreign partners, VFT will create value globally.

We sincerely thank our valued customers for their interest in our services as well as their trust in cooperating with us!
